

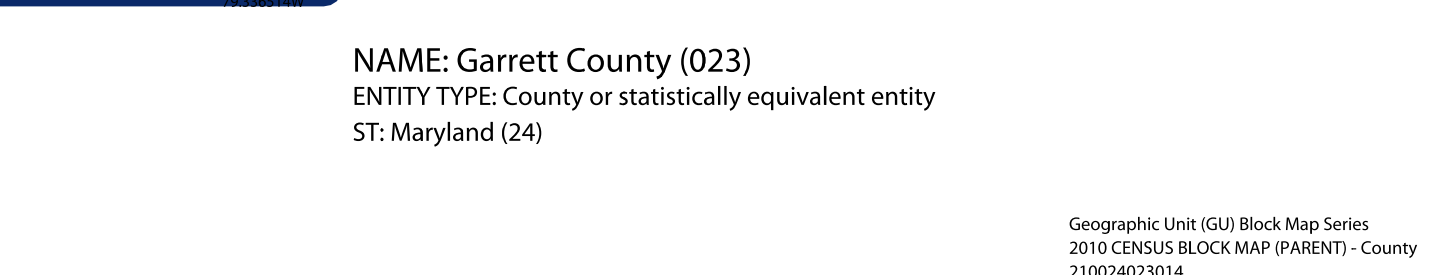

Figure 1 consists of two maps. The left map, titled "Location of County within State", shows the outline of Maryland with its county boundaries. A small orange-shaded area in the western part of the state represents the county. The right map, titled "Sheet Location within Entity", shows a yellow-shaded area representing the entity. A small blue-outlined rectangle in the bottom-left corner of the yellow area represents the sheet's location.

The plotted map scale is 1:18000
